Notes: We won games by an average of 11.8 points, lost games by an average of 7.5 points. Teams that beat us, we defeated the next time we played. In the GLL, consisting of 11 teams, we placed 3rd during the regular season and 2nd in the GLL Tournament. For the season, the entire team had less than 10 absences from practices or games! At this level certain stats were unavailable but are VERY important to the success of the team! Examples: assists, offensive & defensive rebounds, turnovers, field goal %, how many points the man you guarded scored and more! These will most likely be included at the next level! Thank you for being such a great group to work with! Your efforts and success as a team was exemplary! Continued best wishes and good luck in your future endeavors!! Thoughts: *If better is possible, good is not enough!* *Don't wish for more than you're willing to work for!* *A good education is the doorway to opportunity!* *If you fail to prepare, prepare to fail!* *Be all you can be!* *Never is work without reward or reward without work!* *Success is seldom an accident or an incident; it is the result!* *If at first you succeed, try something harder!* *You're attitude will make or break you!*
